

## ENVIRONMENTAL POLICY STATEMENT

The Baker Group (Tas) Pty Ltd is committed to creating and maintaining an environment where management, employees and contractors work cooperatively to ensure minimal impact on the environment.

As an organisation, we strive to fulfil our environmental commitment through the achievement of the following goals:

- Implement, maintain and continuously improve our Environmental Management System in accordance with AS/NZS ISO 14001:2004.
- Maintain an environmentally friendly workplace with work methods and procedures that are safe, sustainable and in accordance with relevant standards and legal requirements.
- Ensure our environmental impacts are considered and managed through risk management practices across all aspects of our operations.
- Ensure consultation with employees and contractors to keep them informed and involved in decisions regarding our environmental systems.
- Reduce or eliminate where possible instances of adverse impact on the environment.
- Meet or exceed relevant Environmental Legislation, client standards and statutory obligations whilst monitoring compliance to all relevant changes.
